1. Please list medium (piano, voice, strings, etc.) and all grade levels actually adjudicated by this judge in which *any* competitor received a "I" rating. We may be able to use these same judges at State MMTA auditions by putting them in a grade level they did not adjudicate at Districts, or in a grade level which they adjudicated but in which no competitors received a "I" and advanced to State.
2. Mileage allowance is \$.40 per mile (no minimum mileage).
3. Rate is \$30/hour. Figure hours to the nearest half hour. Minimum per judge is 2 hours (\$60).

Attach a separate form with judges' names, addresses, phone numbers, and payment information if this is more convenient. This form can also be downloaded in Microsoft Word format, filled out electronically, and printed or emailed. Visit <http://www.missourimta.org/auditionchairs.html>
